# Terms and Conditions of Sale

TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bangs' Disease and Tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All females sold as separate lots are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, nor the Clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

All footnotes were written by the consignor.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

Any announcement or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

MAIL BIDS—Those wishing to buy at this sale, who cannot be present, may send their bids to the Sale Manager, H. W. Walker, 904 East Maple Road, Indianapolis 5, Indiana, to any of the consignors or to the auctioneers.
